

American Recovery & Reinvestment 2009 Asheville, North Carolina Community Portfolio

Community Project Proposal Guidelines

This form is intended for use for proposing a community project that meets the intent and guidelines set forth in the American Recovery & Reinvestment Act of 2009. Complete text of the act is available at http://www.rules.house.gov/111/LegText/111_hr1_text.pdf. Information must be limited to the two pages included in this form.

Proposals may be submitted by:

- E-mail to economicrecovery@ashevillenc.gov;
- Fax to (828) 259-5499, or;
- Mail to P.O. Box 7148, Asheville, NC 28802, ATTN: Economic Recovery

If you require any assistance in preparing a project proposal or have questions about the process, please e-mail economicrecovery@ashevillenc.gov.

In the interest of government transparency and public participation, all submitted information will be made available to the community. Please do not submit information considered to be confidential or proprietary. Submitted proposals will be posted at www.ashevillenc.gov/economicrecovery for public review.

American Recovery & Reinvestment 2009

Asheville, North Carolina Community Portfolio

Project Information

1. Project Description

Please include a brief project description.

Construction of a new fire station and police substation as well as an emergency operations center for city government as well as an alternate emergency operations center for Buncombe County. Also, this facility will serve as city government's data backup and command center.

2. Project Purpose

Please describe the project's public purpose and benefit.

A fire station is needed in this area of the city. Property has been secured for this facility. This facility will accommodate fire and rescue as well as police operations. In addition, the facility will serve as the emergency operations center for city government as well as the alternate EOC for Buncombe County Government. The building will house the information technology data backup center for city government and give a level of redundancy that the city does not currently possess.

3. Project Cost

Include the total project cost

\$10,000,000.00

4. Job Creation

Estimated number of jobs created by project.

16

5. Project Schedule

Include start and finish dates for the project.

Start 2010
End 2011

5a. Project Schedule

Can the project be contracted and commenced within 120 days? Please indicate yes or no.

Yes

6. Goal Alignment

Briefly describe how the project will achieve the goals of the American Recovery & Reinvestment Act.

Critical Infrastructure and Basic Services
